# DWIN

"growing a network of energized informed Democratic Women on the First Coast"

# About DWIN

DWIN was chartered in 2003 by the Democratic Women's Club of Florida (DWCF). Our work is to educate and inform Democratic women on the First Coast about the political process and help elect more Democratic women.

Our Officers and Members consistently participate in every aspect of our organization's local, state, and national programs and projects, legislation and advocacy, to expand and strengthen our grassroots growth from research and development to implementation.

Find our current officers on our website:
